Attorney Docket No. 15047US01

AUG 13 2007

REMARKS

The present application includes claims 1-2, 4-13, 15-17, 19-23, and 37-44. By this Amendment, claims 37 and 40-44 have been canceled.

In the Office Action of July 13, 2007, two distinct inventive groups were identified and restriction to one of the groups was required. The two groups were identified as:

Group I: Claims 1, 2, 4-13, 15-17, 19-23, and 38-39, drawn to a layered foundation or artificial turf, classified in class 428, subclass 15.

Group II: Claims 37 and 40-44, drawn to a surface laminate having a layer of non-uniform thickness, classified in class 428, subclass 156.

Consequently, the Applicant elects to prosecute the claims of Group I and has thus canceled the claims of Group II. The Applicant reserves the right to prosecute the claims of Group II in a later continuation and the cancellation of the claims of Group II does not represent any disclaimer of claim scope.
